Welcome to Christy

It gives me great pleasure to this month welcome Christy Tangney to the Dynamix team. Christy comes on board to replace Angela who, as mentioned in the last Teamtalk, has left to spend more time with her young family. With a background in the hospitality industry, and a keen interest in sports, particularly netball, Christy is fitting in well and quickly getting to grips with our product range.

In our last issue of Teamtalk we experienced some difficulties sending the document, and a number of you may have received multiple copies, while others missed out entirely. The spam filtering software at our ISP didn't like the number of recipients we were sending to and initially blocked the mail out to most, but not all, of our mail list. We eventually worked out a way around the problem but I understand some people received several copies.

I apologise for the inconvenience caused. Hopefully we now have the problem solved.

With the new ANZ Trans-Tasman Netball Champs about to begin we would like to hang our colours on the line and say "Go the Steel". The Southern Steel is the infant child of the mighty Southern Sting (7 championship wins in 10 years & never out of the finals, for those of you that need reminding!), and as in previous years we've been busy providing all the uniform branding for the team. When the teams finally run out on court we'll heave a sigh of relief and sit down to cheer ourselves hoarse.

The **new Biz Collection range** was released last month with the addition of a number of exciting new styles. We will be adding these to our own catalogue over the next month but here are what we think are the highlights.

The "Flash" Range - a matching tee, polo, singlet and jacket ideal for sports teams

FBT3110

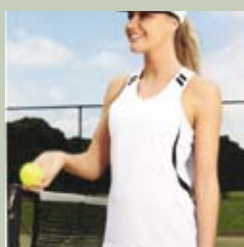

FBP3010

FBT3309
