Be Safe - Be Seen

It's winter time and often dark when we head off to work and school in the mornings. For those traveling on foot or by bike being seen on these dark mornings can be difficult. A reflective safety vest makes you visible and is cheap insurance for you and your child's safety. They pack away into their own small bag, easily stowed in a back pack or your car glove box.

HO-HVZT Reflective Safety Vest

Normally \$21.50

Promo Corner

The key to getting maximum benefit from promotional products is providing an item that is relevant, useful and attractive. What could be more practical and useful than a cup, and our cup range is verry stylish. Brand them with your logo and use them within your business to build your image and brand with staff and customers, or as a high perceived value giveaway.

For more details go to
www.dynamix-team.co.nz

Travel in Style

With winter tournaments drawing near it's time to be thinking of team travel uniforms. The Hoody has become a staple as a travelling uniform for many school and age group teams. Kids love 'em, they're relatively inexpensive, and can be easily monogrammed with team names, sponsors logos and the like. There's a style for everyone - we have no less than 9 styles, from the traditional pullover, to zipped and sleeveless styles in a number of different fabrics and weights.

... Stop Press ...

We're going to carry all the May special offers over into to June. Not only that we've added another great special especially for June. So there's no excuse for being cold this winter, or having your team looking less than their best.
