NEW PRODUCT

We've just added over 60 new styles to our Stock Range, and they are now available to view and download on the web site (www.dynamix-team.co.nz/new_2010.pdf). So what's new?

- Kids teamwear styles ideal for school and sports teams.
- Plenty of new polo and shirting styles for business and lifestyle.
- More Merino wool and knitwear.
- Something totally new in Medical scrubs for the healthcare industry.

Remember, to be selected for inclusion in the Dynamix Stock Range, a product must be the best of it's type, offer a point of difference, be available on an on-going basis, and be supported by stock delivery, so you get the best products at the best price all the time.

SPECIALS OF THE MONTH

With all the new styles our suppliers are clearing the shelves of the old to make way for the new. I've attached a clearance list from Biz Collection offering some fantastic product at **LESS THAN HALF PRICE**. Be quick, it's strictly while stocks last.

MORE NEW PRODUCTS

I recently attended the APPA (Australasian Promotional Products Association) trade fair in Auckland and came home with lots of new ideas, not just in apparel but also branded promotional products. If you're looking at clever new ways to promote your event or brand your business and thank your customers and staff then take a look at following web sites.
